## Bill of Rights Final Project

Using your materials from this week, you will create a final project to demonstrate your understanding of the Bill of Rights and the Amendment you chose to study this week. This is what we are doing instead of taking a test or quiz, so it should be treated the same way. **It is worth THE SAME AMOUNT of points as a test or quiz.**

**THIS WILL BE DUE AT THE END OF CLASS TODAY.**

You may create **any** of the following:

- Poster
- Children's Book
- Song, Rap, or Poem
- Political Cartoons
- Comic Strip or Story Board
- Essay
- Test (written as if you were the teacher)
- OR you may propose an alternate idea to Mr. Niewoehner for his approval

Your project **must** answer **8** of the following 10 questions in some way:

1. What is the Bill of Rights and why is it important?
2. Which amendment have you chosen to research, and what right does it protect?
3. Is this amendment closely related to any other Constitutional amendments?
4. Which court case(s) is related to your amendment?
5. A summary of the court case(s) related to your amendment.
6. What is the importance of this amendment in American society?
7. Why is this amendment important to you personally?
8. What are some different opinions of this particular amendment?
9. What is the common good?
10. How might the individual right that is protected by your amendment interfere with the common good?
