

Star Wars in Oz
written by Ben Niewoehner

NARRATOR

Our little tale begins with a young boy named Luke.

[Enter Luke]

NARRATOR

Luke was an imaginative child who LOVED to spend his summer afternoons playing all sorts of games he invented in his backyard. One of his favorites was a deep space adventure game, in which he and his trusty robot pal try to save the galaxy.

This particular day was interesting, however. As Luke was in the middle of his deep space adventure game, and about to rescue his damsel in distress, he was taken a back by a blow from an enemy laser gun, which sent him sailing to the ground.

[Luke pretends to get hit by an enemy laser and dramatically falls to the ground]

When Luke awoke, he was in such a disoriented and confused state, he could not figure out where he was.

Luke looks around confused because he can't figure out where he is, and says out loud to himself—

LUKE

I am so confused. Where am I?

NARRATOR

As Luke continued to try and figure out where he was, he heard a noise.

R2D2

[whistles or makes beeping noises in response to Luke's question]

It was his trusty robot pal R2D2 who had come to life and attempted to tell Luke where they were. Luke, surprised by this

[Luke acts surprised]

asks R2 if he said they were in a place called Oz.

LUKE

Are we in Oz?

R2 says yes and proceeds to tell Luke that he detects a wizardly presence, and if they travel down this long yellow road paved with bricks, they will find the Wizard who can send them home.

R2D2

[*whistles or beeps*]

NARRATOR

Luke nods and they're off!

[*Music begins playing—"Follow the Yellow Brick Road"*]

The two had been walking for what seemed like years, when they finally came upon three strange figures standing beside what resembled a SPACECRAFT.

Luke and R2 stopped to say hello and be polite and friendly because they thought maybe the three figures could help them find the Wizard who could send them home.

Luke says Hello.

LUKE

Hello

NARRATOR

and asks them who they are and if they can help them find the Wizard.

LUKE

Who are you and can you help us find our way home?

HAN

My name is Han Solo and I cannot help because I am trying to fix my spaceship, the Millennium Falcon.

C3PO

My name is C3PO and I would like to help but I am a droid who needs an owner to command me to help.

CHEWY

[just responds with a loud Chewbacca- style growl]

NARRATOR

R2 suggests they come along to see if the Wizard can help them with their problems as well.

R2D2

[whistles or beeps]

NARRATOR

Luke excitedly agrees and tells the three of them to join him and R2.

LUKE

Please join us on our journey to the Wizard.

NARRATOR

And so off they go, again down the yellow road paved with bricks.

[music begins playing—“Follow the Yellow Brick Road”]

As they are walking, all of a sudden they come to an abrupt STOP! Atop a great hill they see a mysterious figure and call up to it to as if it is the:

ALL

[shouting] Are you the wizard?

NARRATOR

The mysterious figure responds and says that he IS the Wizard and that his name is Yoda.

YODA

The Wizard, I am. Yoda, my name is.

NARRATOR

They ask the wise Master Yoda for his help and he tells them he CAN help, but only if they bring back the light saber of the evil Sith Lord, Darth Vader.

YODA

Have the light saber of Darth Vader, I must.

NARRATOR

And so the gang sets off one last time down this bizarre road, which is paved with yellow bricks. When they are almost to the Sith Lord's Death Star, Luke hears a strange voice:

VADER

(played by the same actor as NARRATOR)

Luke, join me on the dark side of the force or I will get you my little Jedi, and your little robot too.

NARRATOR

(switching back and forth between NARRATOR and VADER characters)

Luke shakes his head and refuses.

Then out of nowhere Darth Vader appears. [VADER appears] He and Luke fight each other with their light sabers in a ferocious battle [epic light saber battle ensues], which ends with Luke disarming Vader of all his defenses.

In one last plea, Vader cries out—

VADER

Luke, I am your father

NARRATOR

Luke cries out—

LUKE

NOOOOOOO

NARRATOR

And continues to cry out until he wakes up back in his own yard again and realizes it was all just a crazy dream.

LUKE

Well that was weird.
